## **New Look for Insiders' Guide Series**

We've rolled-out a new design this year for the highly popular Insiders' Guide series. This acclaimed travel series that has sold more than a million copies boasts a new look, focusing on high-end photography of each book's subject. We've removed all text but the title from the cover, allowing for the cover photo to be the main focus. Each title's spine will feature bright bands of color representing the breadth of travel our readers enjoy, and making for a striking appearance when books in the series are shelved together. Look for this eye-catching redesign at a bookstore near you!
