La Cuna vacia - el doloroso proceso de perder un embarazo (Psicologia Y Salud (esfera)) (Spanish Edition) M. Àngels Claramunt

La cuna vacía es un libro que nace de una necesidad. La necesidad de hablar, sin temor ni falsos mitos, acerca de una realidad que viven muchas parejas y para la que nadie está nunca preparado: la pérdida de un bebé en algún momento del embarazo, los hijos que nunca llegan a nacer.

Cuando esta dura experiencia tiene lugar, es preciso abordarla desde diferentes perspectivas, que en estas páginas se desarrollan con la intención de aportar luz sobre un tema casi siempre relegado a la sombra: la correcta información, el buen acompañamiento y el apoyo del entorno, la intervención psicológica, la despedida y los rituales de la pérdida, los estudios médicos posteriores... Aspectos que no deben ser tratados como tabúes, porque en tal caso sólo contribuyen a añadir un dolor innecesario a un dolor de por sí inevitable.

The inside or content is fantastic as the outside or maybe cover. Your reading sixth sense will directly assist you to pick up this book.

Gail Brasfield:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the

library in order to make summary for some guide, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this La Cuna vacia - el doloroso proceso de perder un embarazo (Psicologia Y Salud (esfera)) (Spanish Edition) can make you experience more interested to read.
