You've searched a lifetime for that special person, but how can you be absolutely certain that you've found "The One"? And more important, how can you hold on to that love for the rest of your life?

More Than a Match explores the "compatibility factor," demystifying the science behind matchmaking and giving you the tools you need to find the love you want. You'll learn how to apply the specifics of good compatibility to a prospective date or mate, as well as how to break things off when you find yourself in the wrong relationship.

But since great relationships aren't built on compatibility alone, marriage experts Michael and Amy Smalley also delve into the "forever factor," giving you the skills you need to turn your romance into a lifelong love affair. You'll learn how to deal with conflict, how to develop a healthy sex life, and how to recover when you inevitably hurt one another.
