The Return of the Gypsy (The Daughters of England Book 12) Philippa Carr

In early-nineteenth-century England, a woman risks scandal, disgrace, even her own life for a forbidden passion

From the moment the handsome, raffish stranger with the gold earring throws her a kiss, Jessica Frenshaw is enchanted. Rumored to be a half-Spanish wanderer who can predict the future, Romany Jake is unjustly put on trial for murder. After the verdict banishes him from England, Jessica despairs of ever seeing him again. But one fateful day, Jake Cadorsen returns to reclaim what he has lost—including the woman who saved him from the gallows.

From the ballrooms and lavish estates of Regency England through the bitter bloodshed of the Napoleonic Wars, *Return of the Gypsy* weaves a spellbinding tale of blackmail, murder, and illicit passion as a woman risks everything for the man she loves—a man who isn't what he seems.
