Ultimate Creative Prayer is part of the Ultimate series, a set of resources for those working with children (and younger young people) in a variety of settings. Ultimate Creative Prayer is packed full of ideas, divided logically into sections. Each of these ideas has been tried and tested before, so they have worked in other situations, and are more than likely to work again! The prayer ideas range from little preparation needed (such as response prayers) to praying through craft! There is guidance on choosing which prayer activities would be suitable for your group and how best to get your group praying.
