## **Symmetry #1** Matt Hawkins

Utopia is here. Hunger, sickness, work... all relics of a long forgotten past. For the greater good of the human species, all individuality, creativity, and negative emotions have been genetically bred out and medically suppressed. The population is limited to segregated areas where people lead long lives of leisure, games, and socializing. Only one man and one woman seem to notice, care, or think differently. Once they find each other, their relationship sparks a revolution... but will their love cause the salvation or destruction of mankind?
