"Although targeted for men, MEN, SEX + FOOD was an enjoyable and eye-opening read for me as a woman. I appreciate how the book is written in 'guy-to-guy' conversation which gave me a peek into how men think and communicate about women... The book offers a step-by-step technique that strengthens the very foundation of a good relationship. As a woman, I must say that I would welcome this type of connecting. If you are a man who wants to enhance a relationship with a woman, this book is for you. If you are a woman who wants to be heard in your relationship, this is a great book to pass along to your male partner. A great find, and an easy yet powerful read." --Gina Charles

"Entertaining, funny, and yet such a simple truth that will probably be profound and life changing to most men. Very well written!" --Candace (Psychologist, Hypnotherapist, Red Deer Alberta, Canada)

"What a great topic to approach. Well done!" --Heidi Kucera (Massage Therapist, Portland, Oregon, USA)
