Building their future

Charlotte Taylor isn't good at playing it safe. Reeling from the sudden loss of her job and her beloved grandmother, Charlotte knows buying a dilapidated cottage in Gordon Falls isn't exactly practical. Especially since she just hired the one man who may love the property more than she does to help renovate it. Volunteer firefighter and part-time contractor Jesse Sykes can't stay mad at Charlotte for very long. Though she snatched up the home he'd planned on purchasing, Charlotte's dreams are big enough for both of them...if only she'd let him in. Charlotte promised she'd never fall for a first responder, but is it already too late?
