Moving from I to We: Recovering the Biblical Vision for Stewarding the Church Paul Ford

If you think you're frustrated with church leadership in America, imagine how God must feel. Dr. Paul R. Ford illumines key Scripture passages to exhort readers to go back to the Spirit-led form of leadership God intends for the accomplishment of his kingdom work. By proving that leadership in the body of Christ is to be a series of functions to be fulfilled by a group of people, not just key leaders, Ford inspires a collective sigh of relief and energizes us to move forward God's way. What a difference that would make!
