The Hidden Face of God: How Science Reveals the Ultimate Truth Gerald L. Schroeder

Gerald Schroeder, an MIT-trained scientist who has worked in both physics and biology, has emerged in recent years as one of the most popular and accessible apostles for the melding of science and religion. He first reconciled science and faith as different perspectives on a single whole in *The Science of God*. Now, in *The Hidden Face of God*, Schroeder takes a bold step forward, to show that science, properly understood, provides positive reasons for faith. Recent research in biology, chemistry, physics, and neuroscience contains unmistakable hints about the ultimate nature of reality. Simply put, we now know not only that behind matter lies energy, but also that behind energy lies wisdom. Scientists have touched on this wisdom in the laboratory, and its implications are awesome.

From the wisdom encoded in DNA and analyzed by information science, to the wisdom unveiled in the fantastic complexity of cellular life, to the wisdom inherent in human consciousness, *The Hidden Face of God* offers a tour of the best of modern science. Schroeder makes no attempt to "prove" the existence of God. Yet his interpretations of the work of his fellow scientists touch on life's ultimate mysteries. His wise observations on the organization of organic life, on the power of humans to make sense of their sensory inputs, and on the complexities of the code of DNA all show that life has a direction and purpose that cannot be explained in purely physical terms. Throughout, he addresses three great themes: the question of first causes (i.e., where do the laws of nature come from?); the inseparability of mind and matter; and the philosophical problem of design. To believe that a designer must have been involved, he reminds us, we need not insist on perfection or on our view of perfection in the design.

The Hidden Face of God will open a world of science to religious believers, and it will cause skeptics to rethink some of their deepest beliefs.

From reader reviews:

Loretta Tellis:

The book The Hidden Face of God: How Science Reveals the Ultimate Truth can give more knowledge and information about everything you want. So just why must we leave a very important thing like a book The Hidden Face of God: How Science Reveals the Ultimate Truth? Some of you have a different opinion about book. But one aim that book can give many data for us. It is absolutely right. Right now, try to closer along with your book. Knowledge or details that you take for that, it is possible to give for each other; you may share all of these. Book The Hidden Face of God: How Science Reveals the Ultimate Truth has simple shape however, you know: it has great and big function for you. You can search the enormous world by open and read a publication. So it is very wonderful.

Paul Evans:

Book is to be different for each and every grade. Book for children until eventually adult are different content. As you may know that book is very important for people. The book The Hidden Face of God: How Science Reveals the Ultimate Truth has been making you to know about other know-how and of course you can take more information. It is very advantages for you. The e-book The Hidden Face of God: How Science Reveals the Ultimate Truth is not only giving you a lot more new information but also being your friend when you experience bored. You can spend your current spend time to read your e-book. Try to make relationship while using book The Hidden Face of God: How Science Reveals the Ultimate Truth. You never feel lose out for everything in case you read some books.

Diane Lomas:

Playing with family inside a park, coming to see the ocean world or hanging out with friends is thing that usually you may have done when you have spare time, after that why you don't try point that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love The Hidden Face of God: How Science Reveals the Ultimate Truth, you could enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh occur its mind hangout fellas. What? Still don't buy it, oh come on its identified as reading friends.

Jennifer Gallant:

A lot of e-book has printed but it takes a different approach. You can get it by internet on social media. You can choose the most beneficial book for you, science, comedian, novel, or whatever by simply searching from it. It is identified as of book The Hidden Face of God: How Science Reveals the Ultimate Truth. Contain your knowledge by it. Without causing the printed book, it could possibly add your knowledge and make you actually happier to read. It is most significant that, you must aware about guide. It can bring you from one destination to other place.
