**Ristorazione Moderna (Italian Edition)** Max Ventura

"Ristorazione moderna.

come aprire un locale in Italia senza finire in malora.

Un manuale simpatico ma ben strutturato e dettagliato, ricco di esempi pratici e consigli preziosi, pensato per chi vuole entrare nel business della ristorazione e non dispone di ingenti budget o di appoggi logistici importanti. Seguendo i suggerimenti di questo libro potrete individuare, acquisire e ristrutturare un locale per ristorazione a costi contenuti, attrezzarlo dei materiali giusti e fornirlo di personale competente; capirete anche quali sono le diverse alternative possibili quando si fa un'attività del genere, e i tanti aspetti di cui ci si deve occupare, poichè la ristorazione non è solo cucinare e servire da mangiare, ma c'è tantissimo altro da tenere presente, pena il rischio di fallire entro breve tempo e, come dice il sottotitolo, finire in malora.
