Diane Ehrensaft

The Gender Creative Child: Pathways for Nurturing and Supporting Children Who Live Outside Gender Boxes Diane Ehrensaft

From a leading US authority on a subject more timely than ever—an up-to-date, all-in-one resource on gender-nonconforming children and adolescents

In her groundbreaking first book, *Gender Born, Gender Made*, Dr. Diane Ehrensaft coined the term gender creative to describe children whose unique gender expression or sense of identity is not defined by a checkbox on their birth certificate. Now, with *The Gender Creative Child*, she returns to guide parents and professionals through the rapidly changing cultural, medical, and legal landscape of gender and identity.

In this up-to-date, comprehensive resource, Dr. Ehrensaft explains the interconnected effects of biology, nurture, and culture to explore why gender can be *fluid*, rather than binary. As an advocate for the gender affirmative model and with the expertise she has gained over three decades of pioneering work with children and families, she encourages caregivers to listen to each child, learn their particular needs, and support their quest for a true gender self.

The Gender Creative Child unlocks the door to a gender-expansive world, revealing pathways for positive change in our schools, our communities, and the world.
