**Ao Sul Do Corpo - 2ª Edição (Portuguese Edition)** Mary Del Priore (Org.)

Uma historiadora brasileira, professora da Faculdade de Educação da Universidade de São Paulo e pesquisadora-associada do Centre of Latin American Studies da Universidade de Cambridge, na Inglaterra, entrevista nove dos principais representantes da chamada Nova História - os ingleses Jack Goody, Asa Briggs, Keith Thomas, Peter Burke e Quentin Skinner, os norte-americanos Natalie Zemon Davis e Robert Darnton, o francês Daniel Roche e o italiano Carlo Ginzburg. Ao tratar da formação, da área de interesse, das influências e predileções intelectuais e dos métodos de abordagem desses gigantes da historiografia, as entrevistas evidenciam as convergências e divergências entre eles e traçam um painel bastante abrangente das preocupações e dos rumos dos estudos historiográficos contemporâneos.
