Like most dogs, Pierre, a French bulldog, loves the excitement of digging things up. He hoards his treasures in a hole in the backyard and then makes space for more. One day Pierre tosses some old stuff into the trash can, but he forgets to recycle. Now, instead of being transformed into new things, that plastic bottle and newspaper will sit in a landfill forever! Well, not if Pierre has anything to do with it. He chases the garbage truck through town, but will he catch it in time, or will those treasures be trash forever?

From author Kate Louise comes *Pierre the French Bulldog Recycles*—a quirky and fun lesson about the importance of recycling. Bethany Straker’s expressive illustrations make this adorable pup come to life on every page and are sure to get kids thinking about the importance of saving the environment one small piece of trash at a time.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
