## **Stepping Stones to Praise & Worship** Joyce Herzog

This is the second volume of family devotions written by Joyce Herzog and illustrated by Marvin Jarboe. The second Stepping Stones volume shows once again that both Joyce and Marvin have a gift for communicating spiritual and biblical truth to children. The devotions are insightful and thought-provoking, yet easily understood by any school-age child. They never stoop to "twaddle," but consistently show and teach children in ways that motivate them to apply the scriptures to their own lives and put into practice the things they learn.
