Confronting Powerless Christianity: Evangelicals and the Missing Dimension Charles H. Kraft
"The only kind of Christianity in the New Testament is Christianity with power."

If you are skeptical about--yet intrigued by--the issue of spiritual power for today, Charles Kraft provides a biblical, reasonable apologetic for a realm too often overlooked. He describes his own paradigm shift concerning the power of Jesus to heal and free others, and explains persuasively why every Christian should be confronted with this "missing dimension."

Confronting Powerless Christianity will inspire a more robust faith that is powerful enough to heal, to free people from emotional wounds and to bring about real life change.
