Anson Shupe is a sociologist who has studied extensively the problem of clergy (priests, ministers, rabbis, gurus) who take advantage sexually or financially of members of their churches and groups?from televangelists like Jim Bakker or Robert Tilton to the infamous Father James Porter who sexually molested at least 200 children. Shupe's focus is not on the psychological motives of these miscreants, but rather on the reaction to their actions by the perpetrators themselves, by the organizations, and by the victims.
