Teorie e pratiche del web (Universale paperbacks Il Mulino) (Italian Edition) Andrea Miconi

L'ormai ampia mole di analisi di cui si dispone sul web viene esplorata in questo volume secondo due linee di fondo: la prevalenza della spiegazione - della teoria - rispetto alla misurazione quantitativa; la continuità della "network society" rispetto ai nodi problematici su cui le scienze sociali si interrogano da tempo.

Emerge una realtà in cui non tutto è davvero nuovo, in cui gli utenti non sono poi così attivi. E la rete, in sé, si rivela un mezzo tutt'altro che democratico. Perché quello che sappiamo della società di Internet, in fondo, dipende anche dalla scelta di guardare più in superficie o più in profondità.
