A Hedonist's Guide to Eat London Joe Warwick

Where do those whose professional lives center on food eat in London? Joe Warwick asked that question of 150 of the city's most informed foodies, and the answers cover a surprising range, from haute, Michelin-rated destinations to celebrity-chef venues to ethnic gems off the beaten track. Color photographs show every choice, while the pocket-sized format makes it all portable. A discreet design won't let anyone know that the person holding the book is a tourist.
