Blush: This is a suggestive romance (love scenes are not graphic) Samantha Wells has lived through more hell in her short life than most. At the age of eight her serene life was turned upside down. Her parents were brutally murdered and Sam barely escaped with her life. But she didn't do it alone — a soft calm voice led her to safety, the voice of her spirit guide. Disguised by a black mask and the handle Black Smoke, with the help of her spirit guide Sam rescues those unfortunate people who find themselves in the hands of humanity's worst. Life is good until Sam is called on to assist a small covert military team in recovering a kidnapped scientist in Afghanistan. Lt. Mark Lowe (Kong) is less than thrilled to be placing his team's lives in the hands of a woman, much less one as beautiful and sexy as Sam. He quickly learns there is more to this woman than meets the eye. She not only infiltrates enemy bases — she's infiltrated his heart. Kong retreats to safer ground, leaving Sam heartbroken. Distant and unwilling to listen to anyone, Sam delves headfirst into a hell that only Kong can pull her from.
