## Cumbayah

"Cumbayah" is an enduring campfire song for children and a source of inspiration for adults. Though its roots are in the African-American tradition, it speaks to people of many different cultures, ages, and religious. With power and grace, Floyd Cooper depicts scenes from everyday life that emphasize how people all over the world are united in spirit. Here is an uplifting book that, with its simple lyrics, can also help teach children to read and sing. A historical note and a musical arrangement are included.
