I calzini del Cardinale (Italian Edition) Alessandro Arvigo

Ugo Pastorino, “genovese di origine protetta”, arrivato a cinquant’anni è convinto che non ci sia spazio per una donna nella sua vita, ma non ha fatto i conti col caso e con il vizio di fumare sigarette francesi “senza filtro”. Nel secondo racconto, un paio di calzini rossi diventeranno il medium con cui il destino ha deciso di “svezzare” un giovane marinaio; mentre nel terzo, un manager finito per caso nel mondo cooperativo, racconta la delusione per la scoperta che il virus del potere ha contagiato anche la Coop, «figlia del lavoro di un padre nobile e di una madre puttana», come lui stesso la definisce. Sempre dalla “vena” politica dell’autore, la famosa frase dell’inno di Mameli sintetizza in modo ironico la soluzione trovata da un Premier per passare alla storia come il salvatore di un’Italia condannata al declino economico. “Quasi quasi vivo”, invece, è il malinconico racconto di un giovane apparentemente baciato dalla sorte che, sull’orlo del suicidio, grazie a una volgare cantante rionale si trova a riflettere sul senso del suo gesto estremo. Il racconto giallo che chiude la raccolta, inizia con una improvvisa moria di potenti uomini politici che fa subito gridare al complotto, se non fosse che sono tutti morti di ictus e l’autopsia non ha rivelato niente di anormale. Sei storie diverse, che hanno in comune la geometria dello sguardo con cui sono state scritte, l’approccio ironico al setup psicologico dei personaggi, la direzione in cui evolve la storia personale dei protagonisti. Il finale dei racconti si potrebbe definire “lieto”, per quanto pervaso da un sentimento d’incertezza verso il futuro che ne condiziona la qualità del sorriso, ma questo dipenderà dal giudizio del lettore.

You will easily to buy this particular book in the book retail store or you can order it through online. The publisher on this book sells the e-book too. It makes you quickly to read this book, because you can read this book in your Touch screen phone. So there is no reason to you personally to past this e-book from your list.

Ida Shrout:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's soul or real their interest. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this I calzini del Cardinale (Italian Edition) can make you experience more interested to read.
