Población y sociedad. Chile (1880-1930) (Spanish Edition)

René Salinas Meza

Población y sociedad. Chile (1880-1930) (Spanish Edition) René Salinas Meza

Un exhaustivo análisis del profesor René Salinas Meza que describe cómo afectaron a la sociedad y a la población chilena el impacto de las migraciones internas, el desarrollo minero del norte, la explotación agraria de los territorios de nueva colonización y el naciente desarrollo industrial y urbano.

La colección **América Latina en la Historia Contemporánea** es uno de los proyectos editoriales más importantes de las últimas décadas y una aportación original y novedosa a la historiografía sobre América Latina en la que han participado más de 400 historiadores de diversos países. Presenta una visión plural y accesible de la historia contemporánea de las naciones latinoamericanas -incluyendo aquellas otras, europeas o americanas, que más han aportado a su materialización- y revela las claves políticas, sociales, económicas y culturales que han determinado su trayectoria y el lugar en el mundo que hoy ocupan.

Distinciones:

Premio de la revista *La Aventura de la Historia* a la mejor iniciativa editorial
