Symphonia (Italian Edition) Francesco Celotto

È un romanzo sulla musica e sulla creatività che racconta la vita di due musicisti, Alessandro che vive nei giorni nostri ed Elio vissuto nel II sec.

Alessandro Riversi è un giovane pianista che vive e lavora a Milano. Una notte ritornando da un concerto viene coinvolto in un incidente stradale in cui la sua mano sinistra rimane gravemente colpita. Nella speranza di recuperare le articolazioni della mano e poter continuare a suonare viene a Napoli da un noto chirurgo. Visitando il Museo Nazionale della città s'imbatte in un'epigrafe di Elio Antigenide, un famoso musicista dionisiaco del II secolo vissuto nell'antica Neapolis. Nella sua condizione di infermità della mano e nel pavento di dover lasciare la musica per sempre per il vino, Alessandro viene irretito da quella antica esistenza e decide di ricostruirne la storia per la sua tesi di laurea.

Nota dell'autore:

Nonostante alcuni personaggi del romanzo come Elio, Favorino di Arles, Luciano di Samosata e altri siano realmente esistiti e presenti nell'antica Neapolis del II secolo, ricostruita peraltro alla luce dei reperti emersi dai recenti scavi per la metropolitana, Symphonia vuole essere un romanzo e non un'opera storica. Nella stesura ogni qualvolta si è creato un conflitto tra i due orientamenti ho favorito senz'altro il primo. Lo spirito con cui ho sviluppato la ricostruzione del musicista del II secolo era rivolto alla Storia come sedimentazione antropologica dei linguaggi, dei comportamenti e della gestualità che ognuno porta inconsapevolmente nella coscienza del suo tempo, pur nella consapevolezza che ogni fatto storico e ogni personaggio del passato riceve una luce e un'interpretazione nuova in ogni secolo successivo.
