A critical perspective on the treatment of incarcerated women—and their children

*Inside and Out: Women, Prison, and Therapy* challenges conventional thinking about the therapeutic issues facing female prisoners and their children. Therapists, counselors, scholars, and activists examine the injustices of the criminal justice system and the roles feminist therapists can play in deconstructing and demystifying the lives of women prisoners by becoming more involved in clinical work.

*Inside and Out: Women, Prison, and Therapy* examines this growing problem from a feminist perspective, debunking stereotypes about women perpetrators with a thorough examination of gender-responsive treatment of women in a variety of settings. This unique book includes a macro analysis of gender and criminality; an assessment of violence and the abuse of women; parenting and the impact of incarceration on children; treatment approaches developed specifically for women prisoners; and an outline of what women need when leaving prison life. The book also examines crucial issues facing women prisoners, including sexual abuse and assault, substance abuse, mental and physical health concerns, human rights, violence, discrimination, and the unique problems of women prisoners of color.
