When Mom and Dad are requiring more attention than we can give them, what will we do? This book, in its own simplistic and elegant way, tells a story that we will all experience one day. A manual disguised as a story that gives us some help when that time eventually arrives. This book provides information on how to educate ourselves in order to provide dignity, quality and comfort for those we love-those who took care of us. DR. EDUARDO DIAZ Geriatrician, Son, Husband and Father
