**Samuel Johnson (3 Book Series)** John Connolly

**From Book 1:** Young Samuel Johnson and his dachshund, Boswell, are trying to show initiative by trick-or-treating a full three days before Halloween, which is how they come to witness strange goings-on at 666 Crowley Road. The Abernathys don't mean any harm by their flirtation with the underworld, but when they unknowingly call forth Satan himself, they create a gap in the universe, a gap through which a pair of enormous gates is visible. The gates to Hell. And there are some pretty terrifying beings just itching to get out....

Can one small boy defeat evil? Can he harness the power of science, faith, and love to save the world as we know it?

Bursting with imagination and impossible to put down, *The Gates* is about the pull between good and evil, physics and fantasy. It is about a quirky and eccentric boy, who is impossible not to love, and the unlikely cast of characters who give him the strength to stand up to a demonic power.

In this wonderfully strange and brilliant novel, John Connolly manages to re-create the magical and scary world of childhood that we've all left behind but so love to visit. And for those of you who thought you knew everything you could about particle physics and the universe, think again. This novel makes anything seem possible.
