Spitfire Annette Sandoval

Twenty-eight-year-old Tomi Reyes is a documentary filmmaker who moonlights as a receptionist to pay the bills. It's a pretty easy gig—until she receives an unexpected promotion, and her somewhat interesting life goes totally insane.

For starters, her new boss, Scott Martin, morphs from nice guy into creepy dictator in the space of, like, five seconds. Then Justin Thyme, Tomi's occasional boyfriend, is found murdered and stuffed inside his refrigerator. Before Tomi can get over the shock, her friend Whim meets the same gruesome fate. Tomi has a sneaking suspicion that new-boss-Scott has a hand in all of this, but the evidence to both of the murders is pointing to her! She is wondering how she'll look in an orange jumper, when her childhood pal is assigned to the case. Nicholas "Nickels" Turino, is now an FBI agent, and a hot one at that. When the killer starts stalking Tomi—going as far as turning her fridge into her waiting tomb—the not-so-swift hand of justice drives Tomi to act. She sets out to unmask the killer herself or die trying. Seriously underdressed for such a cold-blooded death, Tomi is determined to live.

With its larger-than-life heroine and delightfully sarcastic tone, *Spitfire* offers readers a refreshing alternative to the ho-hum crime novels crowding today's bookshelves.

From reader reviews:

Leonard Parnell:

Now a day folks who Living in the era just where everything reachable by match the internet and the resources included can be true or not call for people to be aware of each data they get. How people have to be smart in receiving any information nowadays? Of course the solution is reading a book. Looking at a book can help folks out of this uncertainty Information especially this Spitfire book since this book offers you rich facts and knowledge. Of course the info in this book hundred percent guarantees there is no doubt in it as you know.

Desiree Schwindt:

Information is provisions for people to get better life, information today can get by anyone from everywhere. The information can be a knowledge or any news even a concern. What people must be consider if those information which is in the former life are hard to be find than now's taking seriously which one works to believe or which one often the resource are convinced. If you receive the unstable resource then you buy it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take Spitfire as the daily resource information.

Joshua Mendez:

The reason? Because this Spitfire is an unordinary book that the inside of the publication waiting for you to snap it but latter it will shock you with the secret this inside. Reading this book close to it was fantastic author who also write the book in such wonderful way makes the content interior easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of benefits than the other book include such as help improving your ability and your critical thinking method. So , still want to hesitate having that book? If I had been you I will go to the e-book store hurriedly.

Alberta Jones:

This Spitfire is great guide for you because the content which is full of information for you who have always deal with world and possess to make decision every minute. This kind of book reveal it details accurately using great arrange word or we can claim no rambling sentences inside it. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but tough core information with splendid delivering sentences. Having Spitfire in your hand like getting the world in your arm, information in it is not ridiculous one. We can say that no e-book that offer you world throughout ten or fifteen tiny right but this book already do that. So , it is good reading book. Hello Mr. and Mrs. hectic do you still doubt this?
