## **Why America Must Not Follow Europe (Encounter Broad­sides) Daniel Hannan**

Daniel Hannan, a British Conservative Member of the European Parliament, calls on Americans to avoid Europe's future. He traces the common roots of British and American liberty, and describes how both countries are losing their inheritance as government crowds out the private sphere. He calls for a renewed commitment to the Anglosphere: the alliance of free, English-speaking nations which has preserved freedom in our time.
